PORTO'S MOST ANCIENT TRADITION – THE TILE - AZULEJO DIGITAL PASSPORT

This is an activity for you to get to know Porto and the tradition of Tile in Portuguese History. You aren't just going to look at simple tiles, you are going to witness a huge part of Portuguese culture and traditions. The technical aspect around the production of tiles is very specific and its main characteristic is the longevity it offers to the final product, which is why almost every building in Portugal is decorated with tiles. And some date back centuries! They are also works of art! You will learn a lot about this today!

Now start with a smile and always make sure to include yourself in the evidence photographs 😊
